

Small but perfectly formed.

Ultrabag and Multibag; tough cases solving “smaller” packaging problems.

Compact, yet strong, Ultrabag and Multibag are particularly suitable for fragile and shock sensitive portable equipment such as optical, measuring, or medical instruments.

Ultrabag - where function and quality combine in harmony.

Multibag - available in two sizes, offers eye-catching “hi-tec” styling and can be finished with a corporate logo or a label next to the handle.

- Colours: Black and Light Grey
- Tough polypropylene
- “Double-walled” construction with impact absorbing “air-cushion” guarantees product protection
- Durable clip shut catches
- With the following optional fittings:
